What is covered?

We will cover You in respect of loss of or damage to Your Car which occurs during the Period of Insurance caused by fire, lightning, explosion, theft, or attempted theft subject to the applicable Excess(es).

B2 LOSS OF OR DAMAGE TO YOUR CAR OTHER THAN BY FIRE AND THEFT (COMPREHENSIVE POLICIES ONLY)

What is covered?

We will cover You in respect of loss of or damage to Your Car which occurs during the Period of Insurance caused by accidental or malicious means subject to the applicable Excess(es).

Provisions applicable to B1 and B2

- 1 If Your Car is damaged, at Our option We will:
 - a Repair the damage to Your Car; or
 - b Settle the claim by monetary payment; or
 - c Provide You with a replacement Car.
- 2 We will reduce any monetary payment made to take into account wear, tear and loss of value when We settle claims.
- 3 We will only repair or replace Your Car under Section B – Loss of or damage to Your Car if the Excess has been paid.
- 4 Where We agree to settle the claim by a monetary payment instead of repairing or replacing Your Car, We will only make a payment where:
 - a The Excess has been paid; or
 - b We reduce the amount of the payment by the amount of the total Excess(es).
- 5 If Your Car cannot be driven as a result of damage insured by this insurance, We will:
 - a Take You and Your passengers to the approved repairer, nearest local amenity, or safe place within 10 miles of the incident location; and
 - b Cover up to a maximum of £100 for any one claim to travel home or to Your original destination; or
 - c Cover overnight accommodation, including breakfast, up to £100 per person, and up to a maximum of £250 for any one claim if You are more than 25 miles away from Your home address. Receipts will be required to validate Your claim. Overnight accommodation will only be covered if it is within 24 hours of the incident.
- 6 If Your Car cannot be driven as a result of damage insured by this insurance, We will arrange to move Your Car so that it can be repaired, returning it after repair to Your address as set out in the Schedule. We will not be responsible for any costs arising from damage caused when moving Your Car from or to Your address and / or to a place where it can be repaired.
- 7 All repairs carried out by Our approved repairers are guaranteed for 5 years from the date the repairs are completed, as long as You own the vehicle. Any parts used during the repair are covered under the manufacturer's guarantee. In the unlikely event the repairs are considered unsatisfactory, the approved repairer will have the option to rectify their work. Should the repairs still be considered unsatisfactory, You may use another repairer providing We agree for the work to be carried out. If You do not wish to use Our approved repairers an additional Excess will apply, which will be confirmed on Your Policy Schedule. We will be unable to provide You with a Courtesy Car. You will need to give Us an estimate from Your preferred repairer. If We think the estimate is unreasonable, We can:

- a** arrange for Your Car to be moved to Our approved repairer, or
 - b** ask You to give an estimate from another repairer.
- 8** At Your request, We can sub-contract the repair work that We are to carry out to a repairer of Your choice, but this may lead to delays in arranging the repairs. We do not provide a Courtesy Car if You request that We sub- contract the repair work that We are to carry out to a repairer of Your choice, even if the Courtesy Car option is shown in Your Schedule.
- 9** If We consider Your Car is Beyond Economic Repair as a result of an accident or incident covered by this insurance, subject to clause 11 below We will provide the owner of Your Car with settlement of its Market Value after deducting the Excess. Our obligation to repair Your Car shall be limited to the cost calculated by applying the proportion that the value of the repair service that We are to provide bears to the Market Value of Your Car less the applicable Excess(es).
- 10** If Your Car is stolen and not recovered, subject to clause 11 below We will provide the owner of Your Car with settlement of its Market Value at the date it was stolen after deducting the applicable Excess(es).
- 11** If You have bought Your Car under a finance, hire purchase or leasing agreement or Your Car is wholly or partly electronically powered and the batteries are leased and a settlement is due to be made by Us under this policy, and We decide to make a monetary payment to either repair the loss or damage, because Your Car is Beyond Economic Repair, or because Your Car is stolen and not recovered, then any payment made will be used to discharge any sums owed to the hire purchase company or leasing company or bank, or other lenders less the applicable Excess(es).

If the settlement amount under the finance or hire purchase agreement is less than the sum due under the policy, We will settle the difference with You. If the settlement amount under the leasing agreement is less than the sum due under the policy, no further settlement will be made to You.
- 12** If We make settlement of the Market Value of Your Car in settlement of a claim under sections B1 and / or B2:
 - a** You must send Us the Car Registration Document and any current test certificate.
 - b** Your Car will become Our property.
 - c** Unless We agree to let this insurance continue on a replacement car, this insurance will end on the date You accept settlement.

Your Excess

- 13** If Your Car is lost, stolen or damaged You are responsible for paying the Excess(es) shown in the Schedule no matter how the loss or damage happened.

Driver Specific Excess

- 14** Unless the loss or damage is caused by fire or theft, You will also be required to pay the Driver Specific Excess of the driver last in the custody or control of Your Car and named in the Schedule. Driver Specific Excess is specified for each driver in the Schedule.

B3 NEW CAR REPLACEMENT (COMPREHENSIVE POLICIES ONLY)

- 1 If Your Car is less than 12 months old and it is:

- a stolen and unrecovered; or
- b damaged and the cost of repair is more than 59% of the current UK list price (including VAT),

We will replace Your Car with one of the same model and specification subject to the applicable Excess(es), provided that

- a You are the first and current registered keeper,
- b the original purchase invoice is available,
- c Your Car was originally purchased within the Territorial Limits,
- d it was purchased under an agreement where ownership was passed to You, and
- e anyone with a financial interest agrees to settle the claim in this way.

- 2 If You do not want Us to replace Your Car, or a car of the same model and specification is not available from UK stock, the most We will pay is the Market Value. After Your claim is settled the lost or damaged car becomes Our property.

- 3 We will also provide cover if You are the second registered keeper of Your Car, providing it was first registered to the dealership where it was bought and had a mileage of less than 50 miles. We will only replace Your Car with another pre-registered car of the same model and specification. If a suitable replacement is not available from UK stock, the most We will pay is the Market Value.

B4 ACCESSORIES

- 1 If Accessories (as defined by this insurance) are damaged or stolen from Your Car, subject to the Excess We will repair or replace up to a maximum of £1,000 in total. At Our discretion, in some circumstances We may decide to settle the claim by making a monetary payment instead of repairing or replacing the Accessories.
- 2 Where We take the option of making a monetary payment instead of repairing or replacing the Accessories, We will reduce the settlement to take into account wear, tear and loss of value, subject to the applicable Excess(es).

B5 WINDSCREEN AND WINDOW COVER

- 1 If the Schedule includes windscreen and window cover, We will replace or repair damage to Your Car's windscreen or windows (excluding sunroofs, detachable hardtops and panoramic roofs) subject to a £115 Excess for replacement or £25 Excess for repair.
- 2 At Your request, We can sub-contract the repair work that We are to carry out to a repairer of Your choice. A £50 limit to the value of any replacement or repair work applies should You wish Us to sub-contract the replacement or repair work to a sub-contractor of Your choice. You will be responsible for the Windscreen Excess.
- 3 We will cover the recalibration of Your Car's ADAS (Advanced Driver Assistance System) as a result of any repairs. If any parts are no longer available, We will cover the cost shown in the manufacturer's latest price guide together with reasonable fitting costs. A £250 limit will apply should You wish Us to sub-contract the recalibration work to a sub-contractor of Your choice.
- 4 Any claim relating to Your Car's windscreen or windows will not affect Your No Claims Discount.
- 5 If We consider Your Car is Beyond Economic Repair as a result of an accident or incident covered by this insurance, subject to Section B, Provisions applicable to B1 and B2 clause 11, We will provide the owner of Your Car with settlement of its Market Value after deducting the Windscreen Excess. Our obligation to repair Your Car's windscreen or windows shall be limited to the cost calculated by applying the proportion that the value of the repair service that We are to provide bears to the Market Value of Your Car less the applicable Excess(es).

B6 PERSONAL BELONGINGS

- 1 If You have comprehensive cover, We will cover loss of or damage to Your Personal Belongings caused by an accident, fire, theft or attempted theft whilst they are in Your Car up to a maximum of £250 for any one incident.

Section M

Claims notification and co-operation

Conditions

- 1** Following any event that may lead to any claim on Your policy You must tell Us as soon as You can, by telephone on **0345 092 0700** OR text **"CLAIM" to 83118**.
- 2** If You are involved in an accident or incident that involves another person, or injury to another person or damage to another person's vehicle or property, You must tell Us as soon as You can and **within 24 hours** of the accident or incident first occurring. You must do this even if You do not think that You are to blame.
- 3** Following any occurrence which may give rise to a claim under this policy You must immediately notify Us by telephone using the contact details in the Schedule, to provide preliminary information about the loss or damage. This will include:
 - a** Your contact details and details of anybody else in Your Car at the time of the incident.
 - b** Details of any convictions and pending prosecution for You and any named driver.
 - c** Your policy number.
 - d** Information about Your Car and details of the incident.
 - e** Details of any witnesses.
 - f** Details of other parties involved in any incident, any injuries suffered by them and any damage to their property.
- 4** You must report any theft, attempted theft or malicious damage relating to Your Car or other property to the police as soon as You can and obtain a crime reference number. You will give Us the crime reference number if We ask You.
- 5** You agree at all times to help Us with Our reasonable enquiries and reasonable requests for information about any claim, accident or incident.
- 6** If You do not tell Us **within 24 hours** of the accident or incident first occurring about any accident or incident that involves another person, or injury to another person or damage to another person's vehicle or property and that may lead to a claim on Your policy then, unless You have a reasonable excuse for not telling Us, We may refuse to settle Your claim except as required by The Road Traffic Acts. Our experience shows that when claims are reported quickly it is often easier and costs less to settle those claims, which helps to keep down Our costs and Your premiums. Late reporting can make it more difficult and more expensive to settle a claim.
- 7** If You do not tell Us about an accident or incident involving another person, or injury to another person or damage to another person's vehicle or property **within 24 hours** of it first occurring, then We will look at why You did not tell Us and We will decide if You had a reasonable excuse for not telling Us in time about Your accident or incident. A reasonable excuse would include if You were unable to get in touch with Us because You or a passenger were in hospital or had to attend a police station following the relevant accident or incident. We do not consider that forgetting to tell Us or being too busy to tell Us would be a reasonable excuse.
- 8** We can also refuse to settle Your claim except as required by The Road Traffic Acts if You do not help Us with Our reasonable enquiries and requests for information about any accident or incident that may lead to a claim on Your policy. We will look at whether You have a reasonable excuse for not helping Us, for example, because You have to stay in hospital after the accident or incident.
- 9** Unless You have a reasonable excuse for any delay, if We incur additional costs under this insurance because of Your delay in providing Us with information or failing properly to help with Our reasonable enquiries, We reserve the right to recover the additional costs from You, or at Our discretion, to discontinue with the management of the claim. You will be held responsible under the policy for delays caused by any other person insured by this policy.
- 10** If Exclusion 5 of Section C does not apply and a passenger causes an accident whilst travelling in, or getting into or out of, Your Car, You must provide Us with a letter that includes a request that We provide cover for that passenger in connection with third party claims (if required). Please be aware that if the passenger has alternative insurance cover for the accident, no cover will be provided by Us.
- 11** Where, at Your request, We agree to sub-contract any of Our repair services to a sub-contractor of Your choice, or where, at Our discretion, We agree to settle Your claim by making a monetary payment, We will not accept responsibility for the cost of repairs or replacements which are not authorised in advance by Us.

- 12 Where, at Your request, We agree to sub-contract any of Our repair services to a sub-contractor of Your choice, or where, at Our discretion, We agree to settle Your claim by making a monetary payment, any estimate for repairs that You obtain should be copied and marked with Your policy and claim number and sent to **Acorn Claims, PO Box 681, Sevenoaks, TN13 9YA**, or via email to info@theacorngroup.com.
- 13 You must let Us know as soon as You can by telephone on 0345 092 0700 OR text "CLAIM" to 83118, if:
 - a You receive any letter or other documents about the incident.
 - b You become aware that anyone insured under this policy may, or will be, prosecuted or if there is going to be an inquest or fatal accident inquiry as a result of an accident covered by this insurance.
 - c You become aware that a civil claim may or will be made against anyone insured by this policy arising out of an accident covered by this insurance.
- 14 You must not answer any letters or proceedings without Our written permission.
- 15 Under no circumstances should You instruct Your own solicitor. We only agree to pay costs once the appointed representative has been agreed by Us.
- 16 Where We or any other repairer carry out work on Your Car, parts and accessories, including green recycled parts that are not made or supplied by the vehicle manufacturer but are of similar type and quality, may be used.

Conduct of claims/subrogation

- 1 We are entitled to take over any third party claim against You (or any other person claiming under this policy) and to conduct the defence or settlement of any such third party claim in Your name or the name of any person claiming under this policy.
- 2 We are entitled to instruct solicitors of Our choice to act for You in any civil or criminal claim against You or any person claiming under this policy. We will have full control over any legal proceedings brought against a third party.
- 3 If We believe the incident is not Your fault, We will arrange for:
 - a A legal expert to contact You who will help claim back Your losses.
 - b You to be contacted to assess Your need and suitability for a replacement hire vehicle.
- 4 Where We consider it appropriate, We may admit liability on Your behalf or on behalf of anybody else insured by this policy. We have full control of all claims covered by this policy.
- 5 We may, at Our expense, bring a claim in Your name or in the name of any person claiming under this policy to recover any costs incurred by Us.
- 6 If We accept Your claim but cannot agree its value, We will appoint a barrister, whose identity is to be agreed between Us or failing agreement who is nominated by the Chair of the Bar Council, to value Your claim. You and We will be bound by that valuation.
- 7 The Market Value of Your Car will be determined as the cost of the replacing Your Car with one of similar make, model and specification, taking into account the age, mileage and condition of Your Car. To determine the Market Value, We will typically request the advice of an engineer and refer to guides and any other relevant sources.
- 8 You will fully assist Us at all times as is necessary in the conduct of the claim in order for Us to recover all costs from the liable party.
- 9 If We incur additional costs under this insurance because of Your delay in providing Us with information or otherwise co-operating with Our reasonable enquiries, We reserve the right to recover the additional costs from You, or at Our discretion, to discontinue with the management of the claim. You will be held responsible under the policy for delays caused by any other person insured by this policy.
- 10 You will be held responsible for delays caused by any other person insured by this policy.
- 11 If any benefit is received directly by You in respect of any cost incurred by Us then You shall inform Us and remit such benefits directly and immediately to Us.
- 12 Where We agree to handle Your case as a Non Fault Accident We will repair Your Car and We will handle all aspects of the claim on Your behalf, subject to the provisions set out in Section K – Repair plus.

Our right of recovery

- 1 For the avoidance of doubt, the cover provided by the policy meets the requirements of the provisions of the Road Traffic Acts and to the extent more limited cover is provided by any provisions under this policy the minimum cover required under the Road Traffic Acts will apply, but this is subject to Our right of recovery referred to in clause 2 below.
- 2 If, under the law of any country this policy covers You in, We must settle a claim for which We would not otherwise provide cover, We may recover any claim payment from You or from the person who the claim was made against.

Fraud

- 1 If You or anybody insured by this policy makes a claim knowing it to be fraudulent, false or exaggerated, provides false documents or makes false statements in support of a claim, this insurance will be void and all claims will be forfeited.
- 2 In the event of fraud, We will retain all premiums paid.

Other insurance

- 1 Where a claim under this insurance is also covered by another insurance policy, We will only settle Our share of the claim.
- 2 If a person other than You is driving Your Car and is covered by other insurance for claims by third parties, no settlement for those claims will be made under this policy.
- 3 If You have separate insurance cover for losses which are not insured by this policy, You must tell Us about any settlements You receive which are connected with any claim under this policy. You must also tell Us about any claim Your other insurers bring for recovery of sums paid by them.

Contracts (Rights of Third Parties) Act 1999

No person, persons, company or other party not named as insured in the Certificate of Motor Insurance has any right under the Contracts (Rights of Third Parties) Act 1999 or any subsequent or amended legislation to enforce any terms of this policy. This does not affect any right or remedy of a third party that exists or is available apart from that Act.

Assignment

This policy is a contract personal to You and may not be assigned or transferred in any circumstances and no person apart from You (or in the case of Your death Your legal representative) shall have any right against Us in respect of the subject matter of this insurance or any right to receive moneys payable either before or after loss and whether admitted or not unless this right has been endorsed on the policy and signed by Us.

Section N

Cancelling Your policy

- 1 This section applies to policies cancelled by You or by Us.

Section P

Telematics Hard Fitted Device

This section applies to Your policy if Your policy is set up with a Telematics Hard Fitted Device. Please refer to the Endorsements section of Your policy Schedule to confirm which Telematics Tracking Device has been selected for Your policy.

This section does not apply in respect of a Courtesy Car.

It is a condition of this policy that You have the Telematics Tracking Device installed in Your Car and that it remains in use at all times. The Telematics Tracking Device is owned by Us and is licensed to You for the purposes of this telematics insurance policy and for the theft tracking service. The Telematics Provider will provide installation guidance and assistance, maintain the device and monitor it for faults.

The policy will be cancelled if the Telematics Tracking Device is not installed within the timeframe stated in the Endorsements section of Your Schedule.

INSTALLATION

Before the Telematics Tracking Device is installed, it is Your responsibility to ensure that any other party who has an interest in the ownership of Your Car (such as Your partner or a hire purchase company) has agreed that the Telematics Tracking Device can be installed in Your Car.

TELEMATICS TRACKING DEVICE

The collection and transmission of data by the Telematics Tracking Device may occasionally be impaired or interrupted by operational and / or atmospheric conditions, power failures, or other causes, conditions or events beyond Our reasonable control or the capabilities of the Telematics Tracking Device. This does not necessarily mean the Telematics Tracking Device is defective.

If the Telematics Tracking Device is suspected by Us to be defective, We will contact You and make all reasonable endeavours to repair or (at Our option) replace the Telematics Tracking Device free of charge. If You suspect the Telematics Tracking Device to be defective for any reason You must notify Us as soon as possible to enable an investigation and, if necessary, a repair or (upon Our confirmation) replacement of the Telematics Tracking Device in Your Car. This does not apply to any item which is part of Your Car and which is used to enable the operation of the Telematics Tracking Device and / or in conjunction with it (e.g. vehicle battery) as such items are Your responsibility to maintain in good working order.

We reserve the right to replace the Telematics Tracking Device at Our option and expense at any time with any other Telematics Tracking Device providing You with at least the equivalent functionality. This will ensure the Telematics Tracking Device is updated if there are technological changes or improvements.

We will only exercise this right:

- 1 When replacing a defective Telematics Tracking Device; or
- 2 When installing a Telematics Tracking Device in Your new car (following a change of vehicle on Your policy).

DRIVING STYLE SCORES

The Telematics Tracking Device collects information about the way You drive. This information is used by Us to calculate Your Driving Style Score. Every Journey made in Your Car will be given a Driving Style Score.

The Driving Style Score is calculated by Us and is based on the following factors:

- 1 Smoothness – measures sharp acceleration, braking, deceleration, changes in direction and up and down movement over the course of each Journey. The smoother You drive the higher the Driving Style Score which may be earned.

- 2 Speed - measures Your speed against both the average speed and the speed limit for the roads being driven. Your speed score will reduce based on the amount of time Your speed is above the average for the road or the speed limit and increases for the amount of time Your speed is below the average for the road or speed limit.
- 3 Usage – measures time of day, Journey volume and Journey duration.

Your Driving Style Score may also be used to detect unacceptable driving behaviour and consistently negative scores could result in the cancellation of Your policy if no improvement is made by You.

RESTRICTED MILEAGE AND TOP UP MILES

This policy has a mileage restriction applied, which were agreed with You prior to the purchase of the policy. You can purchase top-up miles by contacting Your Broker. Should You exceed the mileage restriction and not purchase top-up miles, We reserve the right to cancel Your policy.

UNACCEPTABLE DRIVING BEHAVIOUR

You and any driver of Your Car must observe the law at all times. Poor driving behaviour (including Your Car being driven at speeds which exceed the speed limit for the road on which it is being driven) will affect Your Driving Style Score.

Consistently negative Driving Style Score

Your Driving Style Score is continuously calculated and updated based on every Journey undertaken in Your Car. It is Your responsibility to maintain an average Driving Style Score that is positive (greater than zero), or Your policy will be cancelled.

If We detect that You have a consistently negative Driving Style Score (a score less than zero) for any given week where You or any permitted driver have completed one or more Journeys of a total distance greater than 5 miles, You will be warned in writing by email about future driving conduct. If following this warning You have a negative Driving Style Score for:

- 1 A further consecutive week, or
- 2 A total of 4 weekly scores which are negative (including the week which prompted the original warning) in any one Period of Insurance,

Your policy will be cancelled in accordance with Section N – Cancelling Your policy.

Extreme Driving Behaviour

If We detect that You or any permitted driver of Your Car has driven in a dangerous and/or illegal manner, We reserve the right to cancel Your policy in accordance with Section N – Cancelling Your policy. Dangerous and/or illegal driving can include but is not limited to:

- 1 Driving well in excess of the speed limit,
- 2 Extreme acceleration events, or
- 3 Swerving and cornering too quickly.

TAMPERING / ALTERATIONS

If, during the monitoring of data from Your Telematics Tracking Device, We suspect that there has been unauthorised interference with the Telematics Tracking Device or any interference with the GPS/GSM signal emitted from the Telematics Tracking Device, such interference will be treated as a fraudulent act, and Your policy will be cancelled with immediate effect.

If a fault is detected and is found not to be the result of unauthorised interference the Telematics Tracking Device will be repaired or replaced.

Damage or loss caused by any form of tampering or nonpermitted interaction with the Telematics Tracking Device is not covered by this insurance policy.

CANCELLATION OF YOUR POLICY AND IMPACT ON THE TELEMATICS TRACKING DEVICE

We will not be held responsible for any damage to Your Car caused by de-installation of the Telematics Tracking Device by You or anyone acting on Your behalf.

If at any time You no longer wish to use the Telematics Tracking Device and request that data collection from the Telematics Tracking Device ceases, the policy will be treated as cancelled by You.

We reserve the right to cancel this policy in accordance with the terms set out in Section N – Cancelling Your policy. In addition, We may cancel Your policy for reasons including, but not limited to:

- 1** Failure to install Telematics Tracking Device within the timeframe stated in the Endorsements section of Your Schedule,
- 2** If the Telematics Tracking Device provided is damaged by You or anyone appointed by You in a malicious or deliberate way, in an attempt to prevent the Telematics Tracking Device from working or recording Your driving behaviour,
- 3** If We deem Your driving behaviour is consistently poor or extreme,
- 4** If an extreme driving event is observed, or
- 5** Speeding.

Please refer to Section N – Cancelling Your policy for further details of policy cancellation. If You sell Your Car, You will be obliged to notify the new owner that a Telematics Tracking Device has been installed.

Please note that cancellation of Your policy due to extreme driving may lead to other providers refusing Your application for motor insurance.

COMPLAINTS PROCEDURE – TELEMATICS TRACKING DEVICE INSTALLATION AND FAULTS

If You have any enquiry or complaint relating to the installation, a faulty Telematics Tracking Device, or the repairs to a Telematics Tracking Device, please contact Us using the details provided in the 'Complaints' section. This section provides further details on the timescales involved if You make a complaint.

Section Q

Telematics Self Install Device

This section applies to Your policy if Your policy is set up with a Telematics Self Install Device. Please refer to the Endorsements section of Your policy Schedule to confirm which Telematics Tracking Device has been selected for Your policy.

This section does not apply in respect of a Courtesy Car.

It is a condition of this policy that You have the Telematics Tracking Device installed in Your Car and that it remains in use at all times.

The Telematics Tracking Device is owned by the Telematics Provider and is licensed to You for the purposes of this telematics insurance policy and for the theft tracking service. The Telematics Provider will provide Installation Instructions and assistance, maintain the device and monitor it for faults. If You decide not to renew Your policy, at the end of the Period of Insurance, Your Broker will contact You with instructions on how to return the Telematics Tracking Device, including a pre-paid returns label.

INSTALLATION

The Telematics Tracking Device will be posted to You and must be installed in Your Car as soon as You receive it, and within a maximum of 7 days of policy inception.

The Telematics Tracking Device will need to be plugged into Your Car's onboard diagnostics port and instructions on how to install it will be included with the Telematics Tracking Device.

Once the Telematics Tracking Device is installed it will automatically activate. The Telematics Tracking Device needs a mobile data signal to send Us Your Journey data. If You live in an area with poor signal or park in an underground car park Your Journey data will catch up when You get to an area with signal. If You get back into an area of full GPS signal and Your Journeys are still not showing on Your dashboard, You must contact Your Broker.

If the Telematics Tracking Device is not installed and activated within 7 days of policy inception, We will cancel Your policy with 7 days notice in accordance with the terms set out in Section N – Cancelling Your policy.

Do not remove the Telematics Tracking Device from Your Car unless We or the Telematics Provider instruct You to do so. If You change Your Car, You must keep the Telematics Tracking Device and move the Telematics Tracking Device into Your new car within 24 hours.

It is Your responsibility to ensure that any other party who has an interest in the ownership of Your Car (such as Your partner or a hire purchase company) has agreed that the Telematics Tracking Device can be installed in Your Car.

INTERRUPTIONS TO THE COLLECTION OF DATA OR DEVICE FAULTS

The collection and transmission of data by the Telematics Tracking Device may occasionally be impaired or interrupted by operational and/or atmospheric conditions, power failures, or other causes, conditions or events beyond Our reasonable control or the capabilities of the Telematics Tracking Device. We will rectify any interruptions to the transmission of the data where it is possible for Us to do so. If You do not communicate with Us when We contact You to rectify any interruptions, this could result in cancellation of Your policy.

We, Your Broker or the Telematics Provider, including any subsidiary or third-party subcontractor, cannot be held liable for any losses incurred as a result of a Telematics Tracking Device or service failure.

If at any point during the Period of Insurance We are not receiving a heartbeat from the Telematics Tracking Device We or Your Broker will contact You. If You fail to act on these communications, Your Telematics Tracking Device goes longer than seven days without a heartbeat, or We detect repeated loss of a heartbeat without good reason, Your policy may be cancelled with 7 days notice.

If We suspect that the Telematics Tracking Device is faulty, We will contact You to repair or replace the Telematics Tracking Device free of charge. If You suspect that the telematics device is defective for any reason You must notify Us or Your Broker as soon as possible and We will make arrangements to correct the fault. If the fault cannot be repaired remotely, We will replace the Telematics Tracking Device.

We or the Telematics Provider will not repair or replace any item which is part of Your Car, and which is used to enable the operation of the Telematics Tracking Device and/or in conjunction with it (for example the vehicle battery) as such items are Your responsibility to maintain in good working order. The Telematics Tracking Device uses the battery power supply meaning there will be a nominal voltage drain on the battery even when Your Car is not being used.

REMOVAL OR REPLACEMENT

We reserve the right to replace the Telematics Tracking Device at Our option and expense at any time with any other Telematics Tracking Device providing You with at least the same functionality. This will enable Us to ensure the device is updated if there are technological changes or improvements. We will only exercise this right:

- 1 When replacing a defective Telematics Tracking Device, or
- 2 When replacing a Telematics Tracking Device more than 3 years old by giving 21 days' notice.

TAMPERING / ALTERATIONS

The Telematics Tracking Device is and always remains the property of the Telematics Provider. You, or any person acting on Your behalf, must not tamper with, dismantle, or attempt to remove any part of the Telematics Tracking Device or tamper with the GPS/GSM signal that is emitted from the Telematics Tracking Device.

The Telematics Tracking Device has tamper controls and attack safeguards which will trigger the intelligent alert system in the event of any unauthorised tampering with the Telematics Tracking Device and an investigation will be initiated.

If following an investigation, You or anyone acting on Your behalf, is found to have tampered with the Telematics Tracking Device Your policy will be cancelled and You will be required to pay for any reasonable costs We have incurred including removing, repairing or replacing the defective Telematics Tracking Device or parts thereof. We will contact You to confirm that Your policy will be cancelled, and You may then struggle to find insurance after cancellation of Your policy.

After the initial installation, if You remove the Telematics Tracking Device without prior agreement or drive Your Car without the Telematics Tracking Device plugged in, this will be considered as tampering. Repeated loss of signal without reasonable explanation will also be considered as tampering. Any damage or loss caused by any form of tampering or non-permitted interaction with the Telematics Tracking Device is not covered by this policy.

CANCELLATION OF YOUR POLICY AND IMPACT ON THE TELEMATICS TRACKING DEVICE

We reserve the right to cancel this policy in accordance with the terms set out in Section N – Cancelling Your policy. In addition, We may cancel Your policy for reasons including, but not limited to:

- 1 Failure to install the Telematics Tracking Device within 7 days of policy inception,
- 2 Tampering with the Telematics Tracking Device,
- 3 If You remove the Telematics Tracking Device from Your Car without a prior instruction from Us or the Telematics Provider, or
- 4 Your Telematics Tracking Device goes longer than seven days without a heartbeat, or We detect repeated loss of a heartbeat without good reason,

We will not be held responsible for any damage to Your Car caused by de-installation of the Telematics Tracking Device by You or anyone acting on Your behalf.

If at any time You no longer wish to use the Telematics Tracking Device and request that data collection from the Telematics Tracking Device ceases, the policy will be treated as cancelled by You.

COMPLAINTS PROCEDURE – TELEMATICS TRACKING DEVICE INSTALLATION AND FAULTS
